USEFUL GUIDES

REGISTRATION

The registration desk will be open in the hall of the Old University Library from 4 p.m. to 7 p.m. on Sunday, the 28th of July, as well as at 8.00 a.m. on Monday, the 29th of July. If you arrive after the registration period, please contact any member of the organising team. The registration desk will be moved to Congress Office (located at the first floor of the Congress Hall) during Congress proceedings

COMING TO THE CONGRESS VENUE

Participants coming to the Fryderyk Chopin Airport can get to the city centre either by bus, train or taxi.

Bus: Line 175 http://www.ztm.waw.pl/rozklad_nowy.php?c=182&i=2&q=175&l=2: Bus stop *Uniwersytet* is just in front of the University's main gates and a 5 minute walk from Bristol Hotel (see on Google Maps: <http://goo.gl/maps/oqOVq>). Participants staying at Gromada Hotel may get off Bus 175 at the *DH Smyk* or *Ordynacka* stops, which are 400 m. from their hotel (see on Google Maps: <http://goo.gl/maps/iNfex>). The same directions apply to the participants arriving at the Dworzec Centralny.

To reach Hera University Guest House from the airport you may get off Bus 175 at *Foksal 02*, walk across the street to the *Foksal 01* bus stop, get on Bus 116 or 180, and then get off at *Spacerowa* bus stop – c. 50 m. from their hotel.

Participants staying in Hera University Guesthouse may reach the main campus of the University by numerous buses (from *Spacerowa 02* bus stop): lines 116, 180, 503 (a 'demand stop'). The same buses go back from the University to the hotel (see on Google Maps: <http://goo.gl/maps/4tM4r>). The journey takes c. 20 minutes.

Train: Take line S2 to *Warszawa ródmie cie* (c. 15 min. walking distance from the University).

Taxi: For safety reasons we strongly advise you to use licensed taxi services offered at the airport (Ele Sky Taxi /phone 22 811 11 11/, Super Taxi /22 196 22, 22 196 61/, Sawa Taxi /22 644 44 44 44/, Eurotaxi, /1 9666/) / Taxi tariffs should be clearly displayed in the car window. In some taxis you may also pay the fare with a credit card – look for the sticker. The approximate price from the airport to the city centre is 40–50 PLN., see also: http://www.lotnisko-chopina.pl/en/passenger/access-and-carparks/taxi/taxi?cl=en&set_language=en

PUBLIC TRANSPORT

It is fairly easy to use public transport in Warsaw, just remember that you have to immediately validate your tickets after getting on the bus/tram/rail (if you travel by the underground, validate the ticket at the entrance gate). You may buy tickets from the driver, in every newsstand, or at a ticket machine (preferred method). There are the following types of tickets: a time-limit/short-term ticket (for 20 minutes: 3.4 PLN; for 40 minutes: 4.6 PLN; for 60 minutes: 6.4 PLN), which entitles the ticket-holder to unlimited journeys with as many changes of lines as necessary, within the time limit; a single fare ticket (4.4 PLN), which entitles the holder to one journey (without changes). Students of foreign universities and secondary schools younger than 26 are entitled to the 50% fare reduction with a valid ISIC card (International Student Identity Card). More about transport in Warsaw: <http://www.ztm.waw.pl/?l=2>.

You may also purchase tickets from tickets machines on the board of the newer buses and trams. Look for the stickers:

FOOD DURING THE DAY

There are plenty of restaurants and cafés in the vicinity of the University. Some of them will offer a discount to the participants who present their Congress badges (see map 2 for a list of venues and additional information).

Please note that lunch breaks are usually from 1.30 p.m. to 3 p.m., with the exception of Monday, which is 2 p.m. – 3 p.m.

INFORMATION FOR SPEAKERS:

Papers

Main papers shall last 30 minutes, no discussion is planned for after the presentations.

Session papers should not exceed 20 minutes, with an allowance for 10 minutes of discussion after each of them. The Chairs are asked to introduce papers at the exact time given in the Programme to allow a smooth change for all those participants wishing to switch between sessions. To facilitate organization further, following the Geneva model, the Chairs will be equipped with 3 signal

cards: green to announce the 20th minute of the paper; yellow, to advise the speaker that he or she has hit the 25 minute mark; and red, to ask the speaker to leave the podium, as 30 minutes have passed.

Projections (equipment)

Speakers may bring their presentation on a CD, a USB memory stick or have them available for download via the Internet. All conference rooms will have a computer, with an attached projector. The computers provided by the Congress are installed with Windows and MS Office. Please arrive in your presentation room 10–15 minutes in advance, to familiarise yourself with the room, set-up, and test your presentation.

Important note for Macintosh users: if using a Macintosh computer, please note that you should provide your own computer and confirm that it has a VGA socket for external signal or an adapter that connects your Mac with a projector.

Handouts

Speakers are kindly requested submit their hand-outs at least 24 hours before their paper presentation. They shall be photocopied and distributed in their presentation rooms. You may send them in pdf versions to:

papyrocongress2013@uw.edu.pl.

INTERNET ACCESS

The University of Warsaw provides free wireless Internet access at the venue.

You may either log into the *eduroam* network – with the user/password you would normally use at your home institution or to the special conference network:

wifi-name: *uwkonf* – password: *papyrus2013*

Please note that during peak-hours the connection might be slower. AC power for computers will be available during sessions.

CURRENCY EXCHANGE

The official currency in Poland is the Polish złoty (PLN): 1 euro = c. 4.25 PLN; 1 dollar = c. 3.25 PLN). Even if payment in Euros is possible, it is not advised because of usually unfavourable exchange rates.

Currency can be exchanged at banks, exchange offices (bureaus de change – *kantor*), and sometimes in hotels. No exchange fee is usually charged. The participants are recommended not to exchange money at the bureau de change close to the University campus (in front of Bristol, Krakowskie Przedmieście) or at the Airport, as their exchange rates are not very favourable. (ATMs are available almost everywhere in Warsaw and all popular credit cards are accepted widely.

ELECTRICITY

The voltage in Poland is 230V, 50Hz and European plugs with two circular metal pins are used.

THE WARSAW UPRISING

The 1st of August is the anniversary of the Warsaw Uprising, which is traditionally celebrated with one minute of silence at 5 pm and civil defence sirens signal. The Warsawians traditionally commemorate the Fallen at the (former military) Powązki Cemetery with candles and floral offerings.
